RESPONSE TO COMMUNICATION OF FEBRUARY 26, 2002

Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Official Communication of February 26, 2002, presented herewith is the signed corrected version of the Amendment. This Amendment was originally filed on September 5, 2001 and found not fully responsive because the marked up copy of the claims failed to meet the requirements of 37 CFR 1.111. An unsigned corrected copy of the Amendment containing the marked up claims in compliance with 37 CFR 1.111 was forwarded to the Examiner via facsimile on February 22, 2002.

It is believed that the attached signed corrected Amendment now meets all the requirements of the Examiner and entry is respectfully requested.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
